Feel Younger, Stronger, and More Alive

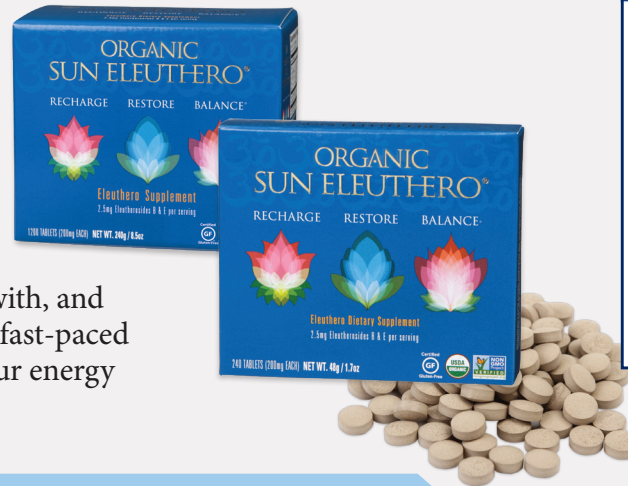

Organic Sun Eleuthero® is a premier, natural adaptogen that can revitalize and rejuvenate your body without the jittery side-effects often associated with caffeine or sugar. An “adaptogen,” defined as a “non-toxic substance that reinforces the body’s ability to adapt to stress,” promotes physical and mental stamina, and overall well being. The active compounds found in eleuthero, called eleutherosides, help support your body’s natural defense system.*

Naturally Unique

Organic Sun Eleuthero® has a reputation unrivaled by any other eleuthero in the world. Organic Sun Eleuthero® grows in rich soil in Asia without the use of chemicals and pesticides. Organic Sun Eleuthero® comes from the root of the eleuthero plant where its potency is concentrated.

The Power of Organic Sun Eleuthero®

How does eleuthero work? Simple. Eleuthero is one of nature’s finest “adaptogens.” That simply means it works over time to provide extra support for your body, so you can cope with, and adapt to the occasional stress that comes with living in today’s fast-paced world, while at the same time promoting a natural boost to your energy levels.*

Organic Sun Eleuthero®

Organic Sun Eleuthero® is grown in remote wilderness, unlike typical eleuthero, which is artificially cultivated. The resulting herb is unmatched in strength and purity.
